

DEPENDENT SCHOLARSHIP PROGRAM INFORMATION

Since the Owens Corning Foundation was established in 1978, the Foundation has been at work responding to the requests of its stakeholder communities. Established to enhance lives through charitable contributions, the Foundation champions programs that provide access to education and affordable housing for those most in need.

To promote our goal of access to education and academic excellence, the Owens Corning Foundation Dependent Scholarship Fund was established as an enduring gift for the dependents of Owens Corning employees to assist students in reaching their full potential who demonstrate scholastic aptitude and financial need.

Scholarship awards will be paid directly to the higher education institution (and not to the student) for purposes of covering education-related expenses such as tuition, fees, books and supplies, and room and board (on campus).

Greater Toledo Community Foundation (GTCF) administers the scholarship program.
